

ENTTEC

UAE MAY 2025

Designing light with purpose

Lighting a forest-inspired community with multiple zones and distances is no small task. Read how ENTTEC solved this challenge with synchronised control across Ghaf Woods' expansive site.

PRODUCT FOCUS: Our Neon Flex just got more affordable!

PROJECT: Pedal to the metal @ CORE Fit, KSA

CORE's cycling rooms in Riyadh and Jeddah just got an epic upgrade!

We're thrilled to let you know that we've reduced the prices across our **Neon Flex** range! Whether you're lighting up a venue, crafting eye-catching signage, or working on a bold design project, our flexible and durable Neon Flex is now even better value.

NEWS: UL-listed!

Few LED products on the market come with the verified safety standards that UL certification brings. Why? Because it's a rigorous process! Click here to learn more about the ENTTEC products that have passed this challenging test.
