US JULY 2025

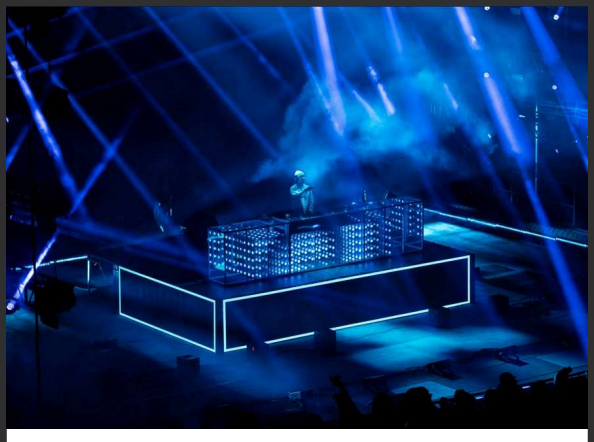
NEW white SMART PXL LED dots are available now!

Giving you an extra design element to play with, our professional custom SMART PXL LED dots are now available in white as well as black. Depending on their setting, it's easier than ever to make them stand out … or blend in. The choice is yours.



Dark Moon Designs creates a custom DJ Booth for Disco Lines

For his Red Rocks show, Disco Lines teamed up with Dark Moon Designs to create a custom DJ booth with a hidden twist. Designed and built by DMD using ENTTEC pixel tape and control gear, the booth was a showstopper from every angle. Read more about how they brought it to life!

ENTTEC welcomes a new South American Dealer!

We’re excited to announce a new addition to our global network! URDILE is now an authorized ENTTEC dealer in Chile.
This partnership means easier access to ENTTEC products for our clients across South America.

Check them out!

H&M : The Signature Times Square

Hovercraft has transformed H&M’s Times Square flagship escalator into a three-story glowing centerpiece using over 600 meters of LED strip and ENTTEC’s flagship Octo controllers. Check out the installation breakdown by clicking below!
