Thanks for an incredible year — see you in 2026!

As 2025 draws to a close, we just want to say thank you.

To our customers across the Americas — partners, designers and integrators — your projects, creativity and trust in ENTTEC continue to push what's possible with lighting control. From local installs to global showcases, it's been a huge year, and we're proud to have been part of it with you.

Here's a final 2025 wrap-up of what's been lighting up the ENTTEC world, from standout installations to new tools designed to power your next project.

We look forward to working with you again in 2026.
